

With a Little Help from My Friends

Knorkator

What would you do when I sang out of tune?
Would you stand up and walk out of me?
Lend me your ears and I sing you a song,
And I try not to sing out of key.

I get by with a little help from my friends.
I get high with a little help from my friends.
Gonna try with a little help from my friends.

What do I do when my love is away?
Does it worry to be alone?
What do I feel at the end of the day?
Are you sad because you're on your own?

I get by with a little help from my friends.
I get high with a little help from my friends.
Gonna try with a little help from my friends.
I get by with a little help from my friends.
Do you need anybody?
I need someone to love!
Do you need anybody?

Do you believe in a love at first sight?
I am sure that it happens all the time.
What do you see when you turn off the light?
I can't tell you but I know it's mine.

I get by with a little help from my friends.
I get high with a little help from my friends.
Gonna try with a little help from my friends.
I get high with a little help from my friends.
Do you need anybody?
Whua!
Do you need anybody?

I get by with a little help from my friends.
I get high with a little help from my friends.
Gonna try with a little help from my friends.
I get high with a little help from my friends.
