

## 50 Shades of Evil

### Kobra and the Lotus

Oh you've seen this all before  
Never feeling satisfied  
And always wanting more

Slipping into your system  
Opening up the gate  
Flooding real with lust  
Until it is too late

Whoa, the advocate of hell  
50 shades of evil  
Only the devil could wear well

Behold the river of desire  
Carelessly you're bashing down on heads to get you higher  
You will die!  
As empty as you started  
You'll never have enough  
Your greed cannot be mended

Whoa, the advocate of hell  
50 shades of evil  
Only the devil could wear well

You have become  
Whoa  
50 shades of evil! 50 shades of evil!  
Advocate of hell! Advocate of hell!  
Only the devil could wear it well!
