

Candy Paint

Kodak Black

[Kodak Black:]

Everybody wanna ride candy
Everybody wanna ride candy
Everybody wanna ride candy paint
Everybody just comparing
Everybody tryna sell drugs
Everybody think they the plug
Everybody wanna ride Fords and dimes
Everybody tryna ride dubs

Candy, candy, candy
Spent 20 grand on my auntie
Put Louis V on my women
I'm sipping on lean, I'm dizzy
Got digital dash in my cutless
Got this shit from Duffy
Ain't get this from no rap money
I got this shit from Duffy
Everybody outchea hustling
Nigga, you broke, you bugging
Fuck you little hoe, you ugly
I got dat bag, I got dat luggage
I got dirty money, Houston, Texas
I'm sipping dirty money
I told lil baby, I just want some sucky-sucky
I don't want no lovey-dubby
Everybody wanna have everything
Everybody wanna ride candy paint
Every bitch want her wedding ring
When these bitches been fucking on everything
Everybody wish they had a connect
Everybody want an Audemar Piguet
I ain't Paul Wall coming to you permanent
Got a Glock 17 with a 30 clip

Everybody wanna ride candy
Everybody wanna ride candy
Everybody wanna ride candy paint
Everybody just comparing
Everybody tryna sell drugs
Everybody think they the plug
Everybody wanna ride Fords and dimes
Everybody tryna ride dubs

[Bun B:]

Everybody wanna ride candy paint
Everybody wanna come down
Everybody wanna drop top
Let the trunk go pop and bang that surround
Everybody wanna have a Styrofoam cup
Matter of fact, they want two
Why?
So, they can sip on that muthafuckin sizzurp
Like they heard from DJ Screw
Ooh
Everybody wanna claim blue
Everybody wanna claim red

Everybody wanna bang out
Till they got a 45 to they muthafuckin head
Everybody said they got bread
Racks up inside the mattress
But, you'd be the dumbest muthafucka ever born
If you sitting around believing that shit
Everybody wanna be a rapper
Shining like a boss on stage
But, it's gonna take mo' than some Youtube lights
And a gahdamn IG page
Everybody wanna be who they can't
Instead of tryna be who they are
Man, this shit won't get you to far
You'll never be a star regardless of the paint on your car
