Mike Will Made-It

I'm like a fiend, know what I mean? I need everythin'
No homie, this ain't lean, I'm drinkin' lemonade
I ain't talkin' Blige but I'm blowin' Mary J
You would think I'm blind 'cause I be rockin' heavy shades
I gotta keep the fire, try me, I'ma let it rain
'Cause I be walkin' round with a big scary chain
On when I'm posted up, I'm sellin' candy cane
Before I made my move, I had to let it marinate
I beat the pot with the spoon and watch the dope lock up
I drop the 5 in the deuce like I'm Urlacher
Don't make me run up in your gig 'cause I'm a show stopper
I got 99 bands, I ain't got no problems
Ayy, repeat what you just said, you don't want no problems
I'm patient, when she give me head, I call her dome doctor
I keep a pep in my step like I'm pimp walkin'
I run up in your home like I'm Macaulay Culkin
I got lil shawty, on that reefer now she Kodak boppin'
When I jump up in a Beamer, I be thot hoppin'
All this Perc' in the liter got me sleep walkin'
I'm booted up, Molly Jolly, I don't need coffee
I'm tryna blow the fuck up, them crackers lock me down
They got me on the seventh floor, I'm tryna hit the ground
I'm tryna touch the promised land, you need to let me down
I put my trust in that bitch, that ho let me down
