

Day for Day

Kodak Black

Ayy, look, I say "I don't rap, I illustrate. I don't paint pictures, I picture-paint." Ha, this my motherfuckin' album

Kodak Black...

Kodak Black...

The nineteen-year-old Pompano Beach rapper...

..is reportedly back in jail after he was arrested today in Broward County, Florida

Real name is Dieuson Octave, changed his plea from not guilty to no contest Mr. Octave, do you accept your plea?

..in the two terminal cases that have put his musical career on hold

..troubled rapper found himself back behind bars after violating the terms of his house arrest

Yeah

You know I'm a hot boy, but I ain't never lose my cool

The streets on fire, that's why I'm ridin' with my tool

1800 block boy, I'm quick to give a bitch the blues

I was already sentenced, before I came up out the womb

Streets done already sentenced me, before no cracker could

And I wonder why, when I'm just so fucked up out the hood

And I wonder why, these niggas be hatin' on a G

When I'm the same lil' nigga, who gave you niggas a chance to eat

I had to do that time, could nobody do that shit for me

When I was doin' that time, ain't nobody do that shit with me

I miss my nigga Cool, I know right now he prolly sleep

One day at a time, ten toes down until you're free

Dyin' in a cell's every street nigga fear

I give everythin' back to have my nigga here

I give everythin' back to have my nigga with me

I already know I had to beef, had my nigga with me

I ain't tryna see the pen', I'm tryna make a shape

Neighborhood hero, I'm the one gon' save the day

Chosen one, my folks depend on me to make a way

I do it for my nigga locked up doin' day for day

They gave Lil' Marky twenty-five, that's my man

Remember hittin' licks and runnin' up them bands

They gave Lil' Greg sixteen years in the pen

For all my niggas locked up, I'm goin' H.A.M.

They gave Lil' Ceelo twenty years, free my nigga

They say Lil' Tracer gettin' out this December

I dropped fifty-five bands from my hand

They done let me out, so now I'm goin' H.A.M

Before he go back, shoot it out with the police

So that mean he goin' to court in these streets

He goin' to trial right there where he stands

For everybody did me wrong, I want revenge

Dyin' in a cell's every street nigga fear

I give everythin' back to have my nigga here

I give everythin' back to have my nigga with me

I already know I had to beef, had my nigga with me

I ain't tryna see the pen', I'm tryna make a shape

Neighborhood hero, I'm the one gon' save the day

Chosen one, my folks depend on me to make a way

I do it for my nigga locked up doin' day for day

This my motherfuckin' album
Paintin' pictures man, lil' Kodak, you already know that
