Too bad I'm free, so now I'm pipin' down your broad and shit  
And I, and I don't, I keep that rod like I'm Iron Man

Stickin' and I'm movin' tonight  
Burnin' and they lootin' tonight  
Fleein' and eludin' tonight  
Bitch, I'm fire like krypto-tonite  
Swifter than a thief in the night

I'm paid, lil' bitch, I sleep with my ice on  
So that mean I sleep with the lights on  
Welcome to the motherfuckin' night show, oh

But I'm the main reason that the lights are on  
So motivate me, uh, promote my album  
'Cause I don't wanna be on the block on my black phone, mmm, yeah  
I don't wanna be goin' up top with the trap phone  
So everything that I drop, make sure it go platinum, mmm
