Fuck this shit, I'm tired of this
Ain't tryna be your alternate
Fuck it, you can stay with him
Obviously you ain't shaking him
I see that nigga, I'm slaying him
Why the hell you wanna stay with him?
Obviously you ain't shaking him
I see that nigga, I'm slaying him
You don't know what you could be
You ain't don't even know my pitch
Like you don't wanna be my bih
I'm tryna make you my bih
I don't wanna be your minigga
Don't wanna be your inferior
If you give me a chance
Baby I'm a be your man

Wanna have some romance

Ain't gonna nowhere, I'm staying
Fuck them lil hoes, they hating

Do you want him or you want me
