Every time you see me, boy, I got that Kel-Tec tucked
You don't even know how I got it on me
Every time I'm fuckin' on lil' shawty, she remind me of that dope
'Cause that shit be like macaroni
I ain't Milly but I'm rockin' in here
They done let me bring my Glock up in here
I ain't Nelly but it hot up in here
I let out thirty shots up in here

I make that pussy feelin' like it's mac n' cheese
Like Dwyane Wade, I be packin' heat
Got a toy with a whole thirty clip in in it
I fuck with Reckless, that my nigga 'cause he authentic
Got lil Rex on the beat and I am not friendly
I get stupid on a nigga, like I'm autistic
Ain't do the show without my tooly, I ain't finna do it
Every time you see me out, I be fuckin' booted
I wanna shoot that nigga, his plug told me not to do it
Haitian boy blue stripes I ain't fuckin' Rudy
My lil' homie, he a fool, he quick to go to shootin'
I say the Draco got a drum, you think I'm makin' music

Every time you see me, boy, I got that Kel-Tec tucked
You don't even know how I got it on me
Every time I'm fuckin' on lil' shawty, she remind me of that dope
'Cause that shit be like macaroni
I ain't Milly but I'm rockin' in here
They done let me bring my Glock up in here
I ain't Nelly but it hot up in here

Ayy-Bay-Bay, captain jumpin' out the Wraith
With the K, like I ain't got nothin' goin'
Like I ain't got a fan base, like I don't be performin'
Like I ain't got a lot of fans, I count on these tourin'
They don't let me bring my wooly in the venue
If I can't fight you, home boy then I'm hittin' you
Baby girl, that pussy wetter than chicken noodle soup
Baby girl, that pussy sound like ramen noodle soup
That pussy soundin' like we're stirrin' up some gumbo
All my niggas Sniper Gang, they go retund-to
Got too much felonies, I can't never go to Toronto
I fuck with PeeWee, fuck with Yoshi, fuck with Monto

Every time you see me, boy, I got that Kel-Tec tucked
You don't even know how I got it on me
Every time I'm fuckin' on lil' shawty, she remind me of that dope

'Cause that shit be like macaroni
