

Summer to Winter

Kolohe Kai

She's got a little dimple
On her right cheek
Everything is so simple
When she's right next to me
She came around the corner
And I know I really really want her
I've never felt so complete
So I'll say

You bring summer to winter
You make me happy every day
My heat wave in December
You bring the sunshine my way
And I don't wanna go back home
'Cause it's here where I belong
Girl you bring summer to winter
And lady I will sing a song
To you babe yeah

Oh oh oh
Oh-oh, oh-oh
Oh oh oh
You got me singing baby girl
(Oh-oh, oh-oh)
Oh oh oh
Oh-oh, oh-oh
Yeah

Girl you're my anchor
And I'm the sail
A hurricane could come
And you'd hold me still
If love's a prison
Then I'm in jail
And I will never, not ever
A wanna post bail

Girl you crack those jokes
I'm LOLing, I can tell
I fell through the world
That you dug
And I'm swelling up
I'm full of love
You fill my cup
Up to the top

You bring summer to winter
You make me happy every day
My heat wave in December
You bring the sunshine my way
And I don't wanna go back home
'Cause it's here where I belong
Girl you bring summer to winter
And lady I will sing a song
To you babe yeah

Oh oh oh

Oh-oh, oh-oh
Oh oh oh
You got me singing baby girl
(Oh-oh, oh-oh)
Oh oh oh
Oh-oh, oh-oh
Yeah

Yeah I would read about it
Yeah true love like that
But I see without it
Needed more than facts
But I believe I got it
'Cause I know just how I feel
Do ya, do ya, yeah

Yeah I would read about it
Yeah true love like that
But I see without it
Needed more than facts
But I believe I got it
'Cause I know just how I feel
Yeah, I know it's real
I know it's real

You bring summer to winter
You make me happy every day
My heat wave in December
You bring the sunshine my way
And I don't wanna go back home
'Cause it's here where I belong
Girl you bring summer to winter
And lady I will sing a song
To you babe yeah

Oh oh oh
Oh-oh, oh-oh
Oh oh oh
You got me singing baby
(Oh-oh, oh-oh)
Oh oh oh
Oh-oh, oh-oh
Yeah
You got me singing like
