

I Want It Free

Kongos

Hands up, get on up
We are all one of a kind
But time's up, so don't get up
You're too late to be the first in line
Put your hands up, if you round up
Out of ten we're at least a nine
But time's up, and I fucked up
Twelve of me for less than a dime

Hey now, get up and get it, before it's too
Late now, get up and get it, you don't have to
Wait now, you can have it all if you just
Say, I want it now, I want it free

Hands up, get on up
Don't you wanna know what's on my mind?
But time's up, so don't get up
I was sure I was one of a kind
Put your hands up, I give up
I was looking for a place to hide
But time's up, and I fucked up
Now I'm staring at the great divide

Hey now, get up and get it, before it's too
Late now, get up and get it, you don't have to
Wait now, you can have it all if you just
Say, I want it now, I want it free

I had a dream the other night
Where I could see my name in lights
But every time I get close it starts to fade away

From Tokyo to Bogota
All the girls say aha
And I'd be lying if I told you I could walk away

I had a dream the other night
Where I could see my name in lights
But every time I get close it starts to fade away

From Shanghai to Omaha
All the girls say aha
And you'd be lying if you told me you could walk away

I had a dream the other night
Where I could see my name in lights
But every time I get close it starts to fade away

From Tokyo to Bogota
All the girls say aha
And I'd be lying if I told you I could walk away

Hey now, get up and get it, before it's too
Late now, get up and get it, you don't have to
Wait now, you can have it all if you just
Say, I want it now, I want it free
