

Can't Stay Sober

Konshens

Mother bawl hungry a lick pickney from all angle
Ghetto people face some pressure weh you cyaa handle
Hard tackle dem a put pan ghetto youth ankle
Likkle bredda rise a spinners with the broad handle
Politicians promise things we know dem don't plan to
Mi likkle savings weh mi have jus a get dismantle
If you fi face this everyday you woulda mus mad to...
Mi need a grand bag to

I can't stay sober
When the world a move like everything a go wrong nuttn nah move right man
Cyaa stay pan di grung man affi turn up ganja affi burn up
I can't stay sober
Marijuana a mi visa inna di ghetto but mi feel like me deh Ibiza
Worst when me see wah deh inna media, got to leave yah
I can't stay sober

Yo bro, weh sober a go
Affi have mi stashy if a road mi a go
Me no too level off more than so most times u see me up inna cloud me a go
And its crazy how mi focus more when mi up
But its like mi brain know how fi block out certain stuff
Life tuff and it ruff and it fuck up
Weed affi puff up bottle dem affi buss up

When the world a move like everything a go wrong nuttn nah move right man
Cyaa stay pan di grung man affi turn up ganja affi burn up
I can't stay sober
Marijuana a mi visa inna di ghetto but mi feel like me deh Ibiza
Worst when me see wah deh inna media, got to leave yah
I can't stay sober

I'm not a alcoholic, but I gotta float through all this
My little brain no stop think bout this stress please poor me a drink
What kinda weed you got over there, if it is loud hope u gonna share
Whole day a pure fuckery me a hear, tonight I gotta puff a little smoke inna
di air

When the world a move like everything a go wrong nuttn nah move right man
Cyaa stay pan di grung man affi turn up ganja affi burn up
I can't stay sober
Marijuana a mi visa inna di ghetto but mi feel like me deh Ibiza
Worst when me see wah deh inna media, got to leave yah
