

Jah Never Leave My Side

Konshens

I've been through the coldest times
And darkest days
Jah, Jah, never, ever, ever left mi

Climb the highest mountains
Swim the deepest sea
Jah, Jah, never, ever, ever left mi

Nuh matter what life send my way
I just take some time and pray
And am so, so glad that I can say
Jah, Jah, never, ever, ever left mi

Mi naw talk and hide
Everything mi gain a the father provide
Suh mi naw tell no lie
Mi haffi give thanks to the most high
For every blessing weh mi earn
Every lesson weh mi learn
Jah show me the ones weh seh dem real
And a pray fi mi burn

I've been through the coldest times
And darkest days
Jah, Jah, never, ever, ever left mi

Climb the highest mountains
Swim the deepest sea
Jah, Jah, never, ever, ever left mi

Nuh matter what life send my way
I just take some time and pray
And am so, so glad that I can say

Quick fi badmind weh you work and God build
And even when yo show dem love dem waan si you blood spill

Cause dem only come around when dem si the sunshine
When the rain a fall and you go through yo tough time
