

Let Me Live

Konshens

I just wanna live today
And if tomorrow comes I hope I make it
Let me live today
Let me live today

Yesterday mi did stress out
Today mi naw come wid the same meditation
Free up yo place and get out
Live life to the fullest wid out hesitation
I got things to do, things to see
Places to go and people to meet
So mi naw meck dem steal my joy
Naw meck dem steal my joy

I just wanna live today
And if tomorrow comes I hope I make it
Let me live today
Let me live today

Alright mi naw go meck dem trick mi up
Every morning when the sun come up
Jah wake mi up
Nuff times obstacles and earthquake shake wi up
But the powers a the most high lift wi up
Sometime it stressing, demoralizing and depressing
But wid every negative in life we learn a lesson
The problems naw ease up, wi naw give up

I just wanna live today
And if tomorrow comes I hope I make it
Let me live today
Let me live today

I put my troubles behind me
Troubles behind me
Mister bill collector you don't know where to find me
Troubles behind me, troubles behind me
Mister bill collector you don't know where to find me

I just wanna live today
And if tomorrow comes I hope I make it
Let me live today
Let me live today
