

# Cruelty

Korzus

Condemned  
To live in hell  
No limits, no barriers

When hatred  
Touches you soul  
In the shadow of desolatuion

So much suffering  
So much disunion  
The control  
The power  
The reason  
Just remorse  
Only darkness  
Only pain  
No conditions

So much  
Misery  
In this shadow world

Replacement  
Catastrophic  
Objects in the scale of  
Progress

So much suffering  
So much disunion  
The control  
The power  
The reason  
Just remorse  
Only darkness  
Only pain  
No conditions

Cruelty to kill  
Cruelty to kill

Continement  
Some brains think  
Others vegetate

Criticize  
Ride equality  
Love and liberty

So much suffering  
So much disunion  
The control  
The power  
The reason  
Just remorse  
Only darkness  
Only pain  
No conditions

Cruelty to kill
