

# Purgatory

Korzus

Purgatory!

I'm confused, lost in chaos  
I'm adrift endless trails

[Pre-Chrous]  
Pain, it kills me  
Hate, it kills me  
Pain, it kills me  
Hate

Am I crazy? I don't know  
On the verge of losing even my soul

[Pre-Chrous]

[Chrous]  
Inside my soul, purgatory  
Posions my blood, purgatory  
Beyond my death, purgatory  
Eternal pain, purgatory

I feel hopeless, dead in life  
See no future or what I left behind

[Pre-Chrous]
