

# Waste

Kosheen

It's not necesarilly true  
And speeding this recovery  
Taking a message to you  
And we need to read the end of it  
???  
We want you to feel proud of it

(chorus)  
What a waste!  
???  
Oh, what a waste, what a waste!  
???  
We're independently wise  
Inspite of our intelligence  
Holding our trust like child  
And waiting 'till ???  
???  
Only we could open our eyes  
See into the heart of it

(chorus)  
I want to throw it all away  
I want to throw it all away

(chorus)
