

Void To Final Consumption

Kozeljník

(I) Kill (Me)
and plague with invocation of Time when I'll erase All and the
Self
and lead your souls into (the) undying Hateflow
to spread the stench of naked infected flesh
when no longer any word is spoken
through the sealed mouth.. rotten mind
Through these flaming eyes I'll see All of the Earth shining br
ight in its pain
...its living shell burnt to ash, in disgust...
Enter the Black Flame hall / My cold nourishing specter of drea
ms
Enter the Black Flame hall / Revival of the long gone Wisdom in
pure destructive filth:
A void to final Consumption
