

Rebirth

Krampus

Uncertain sparklings
the circle of life

In blood , from pain, to light striving to born
the time of a breath , the fighting restart to stand for the first time
Illusions to be protected
From now on your own

Survive. To kill or be killed in the name of nothing
No reasons just instinct itself
Earning every instant you achieve
This Death has no one to blame
No place left beside the first

Struggling to survive
Merciless game bonded on its rules

It's a challenge without winners
it's just death and rebirth

No wrongs no envy
Nor good nor evil belongs to
this world balanced in the justice
of the weak against the strong

Kneel at the majesty of earth
terrifying sublime
accept your triviality
You're just a part not the core
