

Calm Down

Krewella

Got all my keys don't you follow me, call on me
Ain't mood for no drama
Outta my face, didn't you read my policy
I do what I wanna
You ain't my parent but think got the formula
So stay in your corner
Last thing I need is my head underwater
Even though I want ya

Wanna feel the good
Wanna feel the bad, feel it all
Got a human heart
I'ma let that fly and fall
When I feel insane
And I rap that pain
No doubt
I'ma spell it out

Don't tell me to calm down
I'm about tear this fuckin' place down
Kinda like the way I let it go
Don't tell me to calm down
I'm about to tear this fuckin' place down
No, I ain't afraid to let it go
Don't tell me to calm down
Don't tell me to calm down

Don't hit me up like you want an apology
I'm too busy riding
Sipping down vodka 'cause you ain't my cup of tea
I put you on silent
Say one more thing and I'll take it from zero to sixty
That's good to be honest, honestly
If you get none of it
Get off my fuckin' back

Wanna feel the good
Wanna feel the bad, feel it all
Got a human heart
I'ma let that fly and fall
When I feel insane
And I rap that pain
No doubt
I'ma spell it out

Don't tell me to calm down
I'm about tear this fuckin' place down
Kinda like the way I let it go
Don't tell me to calm down
I'm about to tear this fuckin' place down
No, I ain't afraid to let it go
Don't tell me to calm down
Don't tell me to calm down

Down, down, d-d-down, down
When the red line blows
I just can't lay low

Down, down, d-d-down, down
When the red line blows
I just can't lay low

Don't tell me to calm down
I'm about tear this fuckin' place down
Kinda like the way I let it go
Don't tell me to calm down
I'm about to tear this fuckin' place down
No, I ain't afraid to let it go
Don't tell me to calm down
Don't tell me to calm down
