

# Drive Away

Krewella

Tonight, I'm gonna get in my car  
And just drive away, drive away

I'll admit, I've been faded  
I'm countin' up the ways I could escape it  
Feelin' like I should face it  
'Cause I been lookin' in the darkest places

Someone tell me, just be honest, am I worth it?  
'Cause all I got is chaos underneath the surface  
Oh no, is there somethin' better?  
Let me know, let me know  
Tonight, I'm gonna get in my car  
And just drive away, drive away  
You'll find me in the sky with the stars  
Come fly with me, fly with me  
And if I ever go missin', then the world'll keep spinnin'  
'Cause I'm just another tainted soul  
Tonight, I'm gonna get in my car  
And just drive away, drive away

Drive away  
Drive away  
Drive away  
Tonight, I'm gonna get in my car  
And just drive away, drive away

Know we all go through phases  
The shit is bittersweet, I can taste it  
Nothin' happens from waitin'  
And I'm dyin' to feel anything, we're jaded, oh

Someone tell me, just be honest, am I worth it?  
'Cause all I got is chaos underneath the surface  
Oh no, is there somethin' better?  
Let me know, let me know  
Tonight, I'm gonna get in my car  
And just drive away, drive away  
You'll find me in the sky with the stars  
Come fly with me, fly with me  
And if I ever go missin', then the world'll keep spinnin'  
'Cause I'm just another tainted soul  
Tonight, I'm gonna get in my car  
And just drive away, drive away

Drive away  
Drive away  
Drive away  
Tonight, I'm gonna get in my car  
And just drive away, drive away

Tonight, I'm gonna get in my car  
And just drive away, drive away  
Tonight, I'm gonna get in my car  
And just drive away, drive away

Drive away

Drive away  
Drive away  
Tonight, I'm gonna get in my car  
And just drive away, drive away
