

From Here To Forever

Kris Kristofferson

Cool shadows fall through the moonlight
Soft as the breeze through your hair
And the smile on your face when you're sleeping
Is the answer to anyone's prayer

Fill your heart for the mornin' tomorrow
You've still got a long way to grow
And the love that you're dreamin' will guide you
And live like a song in your soul

And darlin' if we're not together
There's one thing I want you to know
I'll love you from here to forever
And be there wherever you go

There are so many feelings to follow
So many chances to take
So many ways you can stumble
Someday your heart's gonna break

Darlin' take all the time that you're given
Be all you know you can be
And if you need a reason for livin'
Do it for love and for me

And darlin' if we're not together
There's one thing I want you to know
I'll love you from here to forever
And be there wherever you go

I will love you from here to forever
And be there wherever you go
