

## Here Comes That Rainbow Again

Kris Kristofferson

The scene was a small roadside cafe  
The waitress was sweepin' the floor  
Two truck-drivers drinkin' their coffee  
And two okie-kids by the door

How much are them candies, they asked her  
How much have you got, she replied  
We've only a penny between us  
Them's two for a penny, she lied

And the daylight grew heavy with thunder  
And the smell of the rain on the wind  
Ain't it just like a human  
Here comes that rainbow again

One truckdriver called to the waitress  
After the kids went outside  
Them candies ain't two for a penny  
So what's it to you, she replied  
In silence they finished their coffee  
Got up and nodded goodbye  
She called, hey, you left too much money  
So what's it to you, they replied

And the daylight grew heavy with thunder  
And the smell of the rain on the wind  
Ain't it just like a human  
Here comes that rainbow again
