Zing! Went the Strings of My Heart

Kristin Chenoweth

Dear when you smiled at me, I heard a melody It haunted me from the start Something inside of me started a symphony Zing! Went the strings of my heart

'Twas like a breath of spring, I heard a robin sing About a nest set apart All nature seemed to be in perfect harmony Zing! Went the strings of my heart

Your eyes made skies seem blue again What else could I do again But keep repeating through and through "I love you, love you"

I still recall the thrill, I guess I always will I hope 'twill never depart Dear, with your lips to mine, a rhapsody divine Zing! Went the strings of my heart

Your eyes made skies seem blue again What else could I do again But keep repeating through and through "I love you, love you"

I still recall the thrill, I guess I always will I hope 'twill never depart Dear, with your lips to mine, a rhapsody divine Zing! Went the strings Zing! Went the strings Zing! Went the strings of my heart
