

## Husk

Kristin Hersh

Terrible wine  
Set you free  
Damn slap-happy sleep  
C'mon out, c'mon out  
Oh mercy, mercy me  
Terrible wine  
Draws ou out  
Damn slap-happy in the dugout  
C'mon down, c'mon down  
Oh mercy, mercy me  
And when you're smoke, how do you speak?  
Smoke signals?  
Write on trees?  
C'mon out, c'mon out  
Write with me
