

You Don't Have the Right to Cry

Kristina Maria

You didn't wanna be here, here inside my arms
You said you couldn't love me back
Bet you never knew how,
how much it would hurt to see somebody hold me again
But he loves me back

Now I don't want to hear that you're broken
and oh, so sorry you said goodbye
So stop calling me constantly when you're in tears
You don't have the right to cry, the right to cry

It shouldn't even matter, what I do from now on
You went your own way, and I went mine
I'm hanging up the phone now, cause I can't take this anymore
You said you didn't want me, you said it first

Now I don't want to hear that you're broken
and oh, so sorry you said goodbye
So stop calling me constantly when you're in tears
You don't have the right to cry

You showing up like this makes it complicated
I just let you go cause (that's what you wanted [x3])
I just let you go (cause that's...)
I just let you go (go)
I just let you go cause that's what you wanted

Now I don't want to hear that you're broken
and oh, so sorry you said goodbye
So stop calling me constantly in tears (in tears)
You don't have the right to cry, the right to cry
You don't have the right to cry, no, no
The right to cry
