

# Sabotage

Kristinia DeBarge

It's sabotage now  
I keep prayin' she'll leave me alone  
But she keeps waitin' outside of my home  
I've got an angel on the left sayin' don't give in  
But the devil on the right sayin' let her in  
She won't stop kickin' down my door

Each time I tried to play the good girl  
I let myself get in the way  
I tried so hard to fight the bad girl  
But she's here to stay

It's sabotage all over and over again  
It's sabotage all over and over again  
It's sabotage all over and over again  
Now my heart is broken all over again  
It's sabotage now

I can't hold on to guys I like  
'Cause she keeps lookin' with wonderin' eyes  
I've got an angel on the left screamin' get away  
But the devil on the right sayin' time to play  
And I can't take it anymore, it's sabotage now

Each time I tried to play the good girl  
I let myself get in the way  
I tried so hard to fight the bad girl  
She's here to stay

It's sabotage all over and over again  
It's sabotage all over and over again  
It's sabotage all over and over again  
Now my heart is broken all over again  
It's sabotage now

When I fall in love I cause myself so much pain  
I sabotage my heart and, and I don't know how to change  
It doesn't matter what I say, what I do  
'Cause in the end she always wins, I always lose  
I need to get her out of my life

Each time I tried to play the good girl  
I let myself get in the way  
I tried so hard to fight the bad girl  
She's here to stay

It's sabotage all over and over again  
It's sabotage all over and over again  
It's sabotage all over and over again  
Now my heart is broken all over again

It's sabotage now over and over again  
It's sabotage all over and over again  
It's sabotage all over and over again  
Now my heart is broken all over again  
It's sabotage now
