

## Airborne Ranger Infantry

Kristy Lee Cook

My daddy was a soldier in a foreign war  
But he doesn't like to talk about it any more  
He kept a picture of my mama right by his heart  
He'd give it one last look before the fighting would start  
He said all I ask is that you don't forget  
Cause the wars not over when the fighting ends

There's a part of me that will always be  
Just a boy in a hole with an M-16  
Airborne ranger infantry

I left my best friend lying in a pool of blood  
While I crawled away through the brush and mud  
If I could choose to go back again  
I'd die lying there next to him  
I still see his face when I close my eyes  
As I won't forget his sacrifice

There's a part of me that will always be  
Just a boy in a hole with an M-16  
Airborne ranger infantry

I didn't do it for the money didn't do it for fame  
I didn't do it so the world would remember my name  
I did it for my family and my country,  
And my brothers who died right next to me.

And all we ask is that you don't forget  
Cause the wars not over when the fighting ends  
There's a part of us that will always be  
Just boys in a hole with our M-16s

Honoring souls and memories
