

Stand By Your Man

Kristy Lee Cook

Sometimes it's hard to be a women
Givin' all your love to just one man
You'll have bad times and he'll have good times
Doin' things if you don't understand
But, if you love him, please, forgive him
Even though he's hard to understand
And if you love him
Oh, be proud of him
'Cause after all he's just a man

Stand by your man
Give him two arms to cling to
And somethin' warm to come to
When the nights are cold and lonely
Stand by your man
And show the world you love him
Kick him with all the love you can
Stand by your man

And if you love him
Oh, be proud of him
'Cause after all he's just a man

Stand by your man
Give him two arms to cling to
And somethin' warm to come to
When the nights are cold and lonely
Stand by your man
And show the world you love him
Kick him with all the love you can
Stand by your man
