

Me & My Piano

Krystal Harris

so many times, i've been alone
i didn't know what to do
i don't know where i'd be if i didn't have,
i didn't have you yeah
you comfort me, make me believe, give me the strength i need
since you came into my life it's been so heavenly

me and my piano
it's all me and my piano

so many things i wanna say to you
just because
you came around and gave me, all your, all your love
and i would sacrifice my very life
all you have to do is say the word
cause there would never be no other
no other yeah

me and my piano
it's all i wanna do, it's all i play . . .
