

Me My Piano

Krystal Harris

So many times, I've been alone
I didn't know what to do
I don't know where I'd be if I didn't have,
I didn't have you yeah
You comfort me, make me believe, give me the strength I need
Since you came into my life it's been so heavenly

Me and my piano
It's all me and my piano

So many things I wanna say to you
Just because
You came around and gave me, all your, all your love
And I would sacrifice my very life
All you have to do is say the word
Cause there would never be no other
No other yeah

Me and my piano
It's all I wanna do, it's all I play . . .
