## Me My Piano

**Krystal Harris** 

So many times, I've been alone I didn't know what to do I don't know where I'd be if I didn't have, I didn't have you yeah You comfort me, make me believe, give me the strength I need Since you came into my life it's been so heavenly

Me and my piano It's all me and my piano

So many things I wanna say to you Just because You came around and gave me, all your, all your love And I would sacrifice my very life All you have to do is say the word Cause there would never be no other No other yeah

Me and my piano It's all I wanna do, it's all I play . . .
