

Shine

Krystal Meyers

The way we look tonight
I know nobody else can get in the way this time
Just can't stop the light
I know nobody's gonna get in the way of my...

It's futuristic, kinda mystic
But I like it, like it
It's so realistic, thought I missed it
Till I tr-tr-tried it
And it won't let me go
It's not that typi-typical
Ain't no body rock
Electric shock
Could get this glow

The way we look tonight
I know nobody else can get in the way this time
Just can't stop the light
I know nobody's gonna get in the way of my shine
Wo-oh

Cyberdelic
Hyperstatic
I'm in orbit alright
You got me feelin' like a million
Got me flyin' so high
I-I just cant help myself
It's You nobody else
I-I just can't turn it down
Let it fade or burn it out

You can't get in the way of my shine
Get in the way of
You can't get in the way of my shine
You can't, you can't
(Oh)
You can't get in the way of my shine
(Oh)
Get in the way of
(Oh)
You can't get in the way of my shine
(Oh)
You can't, you can't
