

False Alarm

Kt Tunstall

D7 **G**
I'm trying to put this thing to bed
I drugged it in it's sleep

Ami
There isn't many memories

D7
I'm comfortable to keep
This ball keeps rolling on
It's heading for the street
Keep expecting you to send for me
The invitation never comes

Each time I turn around
There's nothing there at all
So tell me why I feel like
I'm up against a wall

Emi
But maybe it's a false alarm

D7
And all the answer sound the same

F
Just colours bleeding into one

E7
That hasn't got a name

C
Maybe I can't see

D7
Maybe it's just me

Now the curtains coming up
The audience is still
I'm struggling to cater for
The space I'm meant to fill
And distance doesn't care

Each time I turn around
Maybe it's a false alarm...

I'm trying to put this thing to bed
I drugged it in it's sleep
Remember what you said.
Are you comfortable to keep it?
