

## 108 Battles (of the Mind)

Kula Shaker

There's something on my mind but I don't want to talk about it  
I'm saying my goodbyes, though we haven't begun to party

Oh baby, it's all a catastrophe  
Oh lover, it's not how it used to be  
I'm just a man who's battling with his mind  
One hundred and eight battles within the

Minds forever changing what you began  
Life's a waste of time  
Minds forever changing what you began  
Battle with your mind

There's magic in my eyes but I don't want to look into it  
There's thunder in the skies and I'm frightened of what it's doing

Oh baby, it's all a catastrophe  
Oh lover, it's not how it used to be  
I'm just a man who's battling with his mind  
One hundred and eight battles within the

Minds forever changing what you began  
Life's a waste of time  
Minds forever changing what you began  
Battle with your mind
