

# Lost In Despair

Kurt Nilsen

Threw a stone  
You're surrounded by glass  
You need to get out of this place  
'Cause it's holding you back

So, baby run  
Run like the wind  
Look at what you're leaving behind  
Nothing more than a hole in the ground

It's too late  
There's nothing to hold on to  
It's so sad  
'Cause everything's shut down

It's too bad  
'Cause everything you had was here  
You find yourself lost in despair

So take a dive  
You're surrounded by water  
You need to find peace of mind  
It won't kill you if you give it a try

So, baby run  
Run like the wind  
Look at what you're leaving behind  
Nothing more than a hole in the ground

It's too late  
There's nothing to hold on to  
It's so sad  
'Cause everything's shut down

It's too bad  
'Cause everything you had was here  
You find yourself lost in despair

You find yourself lost in despair  
You find yourself lost in
