

## You Are Love

Kutless

Sorrow, feeling the garden in the darkest night  
Unfaithful, kiss of betrayal but you did not fight  
So let his will be done at the greatest price  
And you gave yourself as a sacrifice  
You gave it all and it's all because

You are, you are love  
You are, you are love  
You gave your life for us, Jesus  
You are, you are love  
Whoa, whoa  
You gave your life for us, Jesus  
You are, you are love

The world's fate, all on your shoulder  
The weight of all of our failures  
You prayed, father forgive them  
They know not what they've done

You gave it all and it's all because

You are, you are love  
You are, you are love  
You gave your life for us, Jesus  
You are, you are love  
Whoa, whoa  
You gave your life for us, Jesus  
You are, you are love

Let his will be done at the greatest price  
You gave yourself as a sacrifice  
Let his will be done at the greatest price  
You gave yourself as a sacrifice

You are, you are love  
You are, you are love

You are, you are love  
You are, you are love  
You gave your life for us, Jesus  
You are, you are love  
Whoa, whoa  
You gave your life for us, Jesus  
You are, you are love
