

A Woman Like You

Kyle Park

Here's your sign, girl, tell me what you want me to do
I'm not the kind, though, to go and trust a woman like you
'Cause usually I'm the one who makes the rules, but with you

Well, lately you're the only thing that's on my mind
And baby, what's it gonna take to make you mine
I don't make much money, I don't have much work to do
So I guess I'll spend all of my time at home loving you

What do you say girl, tell me what you want me to do
Don't be afraid, girl, I'll be slow with every move
After all that I've been through, I'm just waiting on a woman l
ike you

Well lately you're the only thing that's on my mind
And baby, I feel like I'm running out of time
You know I don't have money, I don't have much work to do
But you can bet everyone knows that I'll be at home loving you

What do you say girl, tell me what you want me to do
Don't be afraid girl, I'll be sweet with every move
After all that I've been through I'm just waiting on a woman li
ke you

Darlin' after all that I've been through I'm just waiting on a
woman like you
