

## Bad Timing

Kyle Park

I know it was wrong leaving like I did  
But it's time we moved on  
To bigger things than this  
Maybe I should have known  
From the first time we kissed  
That I would end up making you cry  
Breaking your heart with no reason why

But at least I knew better  
Than to lead you on forever  
Saying how much I love you  
Girl I would just be lying  
It goes without saying  
That it's too late for staying  
And looking back on the words I said  
Maybe it was only bad timing

Well I never thought I  
Could hurt you this so  
And in ways I'm surprised  
You didn't wanna to let go  
Cause I've seen in your eyes  
That you love someone else more  
And I know I'm just temporary  
And maybe someday  
You'll get over me

But at least I knew better  
Than to lead you on forever  
Saying how much I love you  
Girl I would just be lying  
It goes without saying  
That it's too late for staying  
And looking back on the words I said  
Maybe it was only bad timing

At least I knew I better  
Than to leave you a letter  
Saying by the time you read this  
I'll be in the air flying  
And it goes without saying  
That it's too late for staying  
And looking back on the words I said  
Maybe it was only bad timing

Looking back on the words I said  
Maybe it was only bad timing
