

Fit for the King

Kyle Park

She said go on
Beyond the blue neon
Cause I'm as gone as a girl can get

Out of the blue clear sky
She'd gotten good at goodbye
What'd you say to that?

Well if I know me
I'll end up drinkin' champagne
With fort worth never crossin' my mind
When I reach marina del rey
This cowboy's ridin' away
And I'll just take it one night at a time

What's goin' on in your world?
Cause my world has slipped away
I just can't go on
Dyin' like this
It will always never be the same

When did you stop lovin' me?
I didn't come to expect that from you
But I cross my hear that I'll love you forever
Are the famous last words of a fool

Well it was easy come easy go
I should've blamed it on mexico
I'm feeling pretty down and out
But I've got this 80 proof bottle of tear stopper
To make me feel a little unwound

Right or wrong
You look so good in love
And darlin' you know it's true
You're somethin' special to me
I've got this fool-hearted memory
And I'll always be the man in love with you
