

For All The Wrong Reasons

Kyle Park

My telephone's been ringing off the wall
Cause everybody wants to know
What happened to me last night
When I said I had to go home

I guess the music started getting to me
But it wasn't even our song
I think the worst part of everything
Was I never loved you all along

CHORUS

So now I'm crying for all the wrong reasons
I'm feeling so down
You're heart's been broken for all the wrong reasons
And there's nothing I can do now

I can't believe that it's taken so long
For me to let you go
I know it's selfish of me
But I just couldn't let you know

CHORUS

BRIDGE

I know it's wrong of me to say
But I should have just stayed away

CHORUS
