

# He Got You

Kyle Park

He got the sunshine  
I got rain  
He got your lovin'  
I got the pain  
He got a lifetime of love  
To see him through  
I got the memories  
He got you

He got the good times  
I got the bad  
He got your sweet side  
I got the sad  
He got forever  
To make your dreams come true  
I got your letter goodbye  
He got you

Sometimes the wine tastes bitter  
Sometimes the wine tastes sweet  
Sometimes the only road I can see  
Leads me right back to your feet  
He got the sunshine  
I got the rain  
He got your lovin'  
And I got all the pain  
He got a lifetime of love  
To see him through  
I got the memories  
He got you

Oh, he got a lifetime of love  
To see him through  
I got the memories  
He got you  
He got you  
Baby, he got you  
Oh, now, he got you  
Oh, he got you, babe  
Oh, he got you, babe
