

Live Through the Pain

Kyle Park

I've seen more
Than most old men
I've been told before
That I could never win
But I lay it on the line knowing every single time
That what I have is worth fighting for

I was born to live through the pain
I'm a soldier of hope and fire and rain
And I pray I won't die in vain
I was born to live through the pain

I've been let down
When I bet it all
I've stood on the front line with my back against the wall
But I still serve my fellow man
I'll do everything I can
And I'll risk my life to save my brothers at war

I was born to live through the pain
I'm a soldier of hope and fire and rain
And I pray I won't die in vain
I was born to live through the pain
Every day it's the reason I was made
I might leave this world alone
But I still keep fighting on and on

I was born to live through the pain
I'm a soldier of hope and fire and rain
And I pray I won't die in vain
I was born to live through the pain
