

Somebody's Trying To Steal My Heart

Kyle Park

In the middle of a little town
I was wasting time just walking around
I couldn't keep from looking her way
And, oh, what I saw made my heart race

CHORUS

Heaven help me call 9-1-1
Keep me from letting down my guard
I think I'm falling in love with someone
Somebody's trying to steal my heart
Somebody's trying to steal my heart

I tried to think of something to say or do
But I only made myself look like a fool
Then she started walking right out my life
But at least I got one more look at her back side

CHORUS

BRIDGE

Well I know there's more women in this world
Like the one I saw today
I'll miss her for the rest of my life
But look what's walking right this way
