

Clean Slate

Kyler England

i got this box of letters
they all start off the same
how could you do this to me?

the ink's been dry for sometime
i just never sent them
i couldn't write the last line
but now i've got it right

it's too late for a clean slate
don't try to make it up to me
let's make a clean break
you don't have to owe me anything
cause i don't wanna owe you anything anymore

i lost another friend today
this time it was my fault
i was too wrapped up to see

she was crashing she was reaching
she was losing everything
it brought back such bad memories
when she said to me

chorus

i know we hurt each other but can't we work it out?
i realize you're the kind of friend that i can't live
without

is it too late for a clean slate?
tell me how to make it up to you
i made a mistake
i know that you don't owe me anything
but i was hoping we could start again
could we start again?
