

## After Goodbye

Kym Marsh

I thought I heard you whisper  
Between the broken light  
I turned to see, to see you fade away  
Sometimes I sit and wonder  
Just how you could be gone  
And tell me why forever couldn't stay

Remember never walk away, never walk away we used to say  
I thought we were here to stay, guess we had to go our separate ways  
After goodbye  
I remember you  
You'll always be a part of me  
I'll hold on to  
And after goodbye  
No matter what I do  
I'll never be that far away  
I'll be there for you  
Even after goodbye

I'll still feel every teardrop  
I keep them here inside  
But I always thought, I thought that we can't fight

Remember never walk away, never walk away we used to say  
I thought that we were here to stay, guess we had to go our separate ways  
After goodbye  
I remember you  
You'll always be a part of me  
I'll hold on to  
And after goodbye  
No matter what I do  
I'll never be that far away  
I'll be there for you  
Even after goodbye  
I'll always remember  
With every step I take  
The dreams that we shared  
I'll never let them go  
I'll hold them forever more  
I swear

After goodbye (goodbye)  
I remember you (I remember you)  
You'll always be a part of me (a part of me)  
I'll hold on to (be a part of me too)  
And after goodbye (goodbye)  
No matter what I do (do)  
I'll never be that far away  
I'll be there for you  
Even after goodbye
