Take away. Their existence. Take away. Their insistence.

Yatsu ga kitara sara ni joukyou wa akka

Take away. Their existence. Take away. Their insistence.

Take away. Their existence. Take away. Their insistence.

Take away.

I'll wake up the moment you close your eyes  
I'll make you watch documentary moveies every single night  
The more you try to forget  
The more I'll be at your side  
I am the vampire who lives in the darkness of your mind  
You will not be able to sleep  
So why don't you just stay awake...?
