

Trick

L'Arc~en~Ciel

no sympathy boys test you
no sympathy boys trick you
no sympathy boys watch you
no sympathy boys wake up

you only stand motionless
you are making a breaking smile
you try to stay in your shell, but
you know, it's meaningless

test yourself you will know you will know
you are incapacity

without hesitation, boys test you
without hesitation, boys trick you
without hesitation, boys watch you
without hesitation, boys wake up

boys, boys test you
boys, boys trick you
boys, boys watch you
boys, boys wake up
