

Let's Rock Tonight

L7

Let's rock tonight
Let your hair down
Don't be so uptight
Come on let's rock and roll
You rocked my body
Now you're rocking my soul
Let's rock
Come on let's rock
Well are you ready to play
I've got my guitar and I'm ready don't wait
Come on over
And we'll really rock
The way you head bang
Puts me into a shock
Let's rock
Come on let's rock
Don't be shy, yeah
You'd better cook
You smell the bait,
Now you swallow that hook
Now's the time
Yeah it's time to smoke
Go ahead and laugh
'cause this ain't no joke
Come on
Come on let's rock
Get off your ass
And let's rock
