

This Ain't Pleasure

L7

No raving beauty
But she's got a good heart
He's got escaping
Down to an art
This ain't pleasure
Don't ask why
This ain't pleasure
And monkeys can't fly
She's an infection
A stain on his soul
He's her addiction
They're out of control
This ain't pleasure
Don't ask why
This ain't pleasure
And monkeys can't fly, oh no
This ain't pleasure
Don't ask why
This ain't pleasure
And monkeys can't fly
