

Mind Your Business

La Coka Nostra

Drop that shit one time

La Coka Nostra Coast to coast I got them things

La Coka Nostra We doin it right now

Mind your business

Hey yo I been heard the rumours, people asking me why Non Phixi on broke up Do you and your brother have beef? Did Eric ditch C oka? Asking me all type of complicated personal shit Weirdos on Twitter gossiping about whose version's legit Fuck do you care ? Girls got some TMZs for pussies and housewives who finger the mselves to our lives Mind your business, don't worry about the next man's plans Cause there's a very thin line between a fan a nd a stan And fuck Facebook, in the real world if you and me me t I'd sign your CD, snap a flick, and you'd respectfully step S o mind your business, Ben Franklin put it on a coin, Google it Read a book, Donald Goines made it humorous Exposing the planet , stop being nosy and scandalous Spoken language, part English, half spoken in Spanglish Speak it every time, those beyond the average prevail Even the deaf and blind know it, sign language and braille Mind your business

Back in the days when I was coming up I'm hungry as fuck Had no Air Max, no Amex, no gun in the truck No wheels, no deals, ain 't no fun and no luck Just a pack of hard-headed goons running amok Dudes got checked when they talked shit to even it out Sho t to fair one and started never leaving the house Nowadays I si t back and gotta laugh at these little dudes Fronting on the In ternet but act like they criminals We know the difference who t he bitches and girls are Nah, I ain't as rich as all them snitc hes at Worldstar But I can spot a rat with the camera phone Who only beefs when he's with his man cause he can't alone I been the nice guy but what am I a jerk now? The shit is no good, som ething gotta get worked out Your homie's coming out his face, i s that your sidekick? I see the way that it is and I don't like it Mind your business

If you worry about mines you ain't handling yours Counting the real hustler's paper but flapping your jaws Only a ho worry abo ut what a pimp got in his pockets Only broke motherfuckers got spare time to gossip I'm too busy and never broke amongst the c lever folks La Coka Nostra be forever dope, homie check the quo te This ain't complicated like hieroglyphics or rocket scientif ics Just keep your mind on the money and mind your business

So stop staring at me man with your neck tattoo Fuck your life

and your wife, she can get slapped too Who the fuck is he? Bitch, you ain't met that dude? This is my business, you best respect that too You might have seen me on the silver screen Heard I 'm an alcoholic shooting guns in the movies coming back to snatch your wallet Fist fights and hard living, that was my way up You stacked the odds against me and now it's time to pay up Mind your business
